

Dear Neighbour,

On behalf of the West Lansing Homeowners Association, welcome to the neighbourhood! You have moved in to one of the best communities in Toronto.

The association is a non-profit community group dedicated to representing the membership; reflecting the views, needs and concerns of the membership; and promoting change focused on, but not limited to, the conservation, preservation, protection, safety and enrichment of the neighborhood.

We would like to invite you to become a member of our association.

As you settle in to your new home we want you to know that our association is here to help. We would be happy to provide any information that will help you transition into your new neighbourhood.
